

PRESS RELEASE

Cartonpack Group will exhibit at Fruit Logistica 2025

Cartonpack Group will attend Fruit Logistica Exhibition 2025, showing up its wide products portfolio with the participation of all its companies (Carton Pack, Ondapack Sud, Cartotecnica, Decapulp, Smilesys, Clifton Packaging, Fimat).

The event will take place in Berlin from 5th to 7th February 2025. The booth coordinates are Hall 4.2 B13 .

Fruit Logistica is the most important European trade fair for the fresh produce business. For more than 30 years, the biggest industry players have met together with trade visitors (+66.000 in the last edition) and stakeholders from all over the world (over 140 countries) to set up productive connections and boost the fresh produce market's business. The event It's definitely a great opportunity for contacts and it's a source of inspiration and a unique driver of innovations.

Cartonpack Group has significantly grown in recent years and the participation in this event generates significant benefits for all companies and their customers by combining marketing resources, as well as technical knowledge, in perfect synergy. The Group will offer to new visitors and customers a unique experience of eco-design and innovative packaging solutions, with a special focus on sustainability which today represents a widely shared driver of a constantly evolving packaging market.

Rutigliano, 20th November 2024
